## ***Product Data Sheet***

### **IntegriBlend 80/20 & 70/30 CS**

#### **Production Locations:**

Texas & Colorado

#### **Product Description**

GMCO CS products are a blend of liquid magnesium chloride and a complex sugar. It's an all-natural, environmentally friendly solution for gravel road stabilization and dust control. The CS's hygroscopic properties naturally capture moisture from the air keeping the road damp and dust-free for a healthier environment and a safer road.

#### **Physical Properties**

Specific Gravity	1.28 +/- .02
Ph (5% Solution)	7 - 9
Weight	10.6 – 10.75
Physical State	Liquid
Color	Amber to dark Brown

#### **Method of Analysis**

All analyses were performed by a third-party lab.
